Welcome to Project Management in Practice – 60 PDU Renewal Course!

Welcome to the **Project Management in Practice – 60 PDU Renewal Course**, a comprehensive program designed to support your professional growth and help you maintain your PMI certification. This course provides practical, real-world insights you can apply immediately in your projects while fulfilling your 60 PDU renewal requirement.

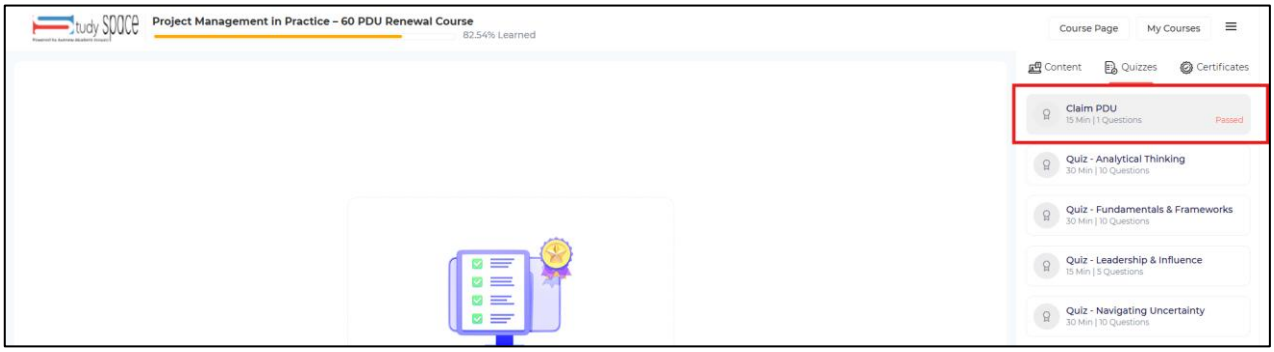

Before you begin, please note that to receive your certificate, you must complete at least **80% of the course material**, which will be reflected in the progress bar displayed here.

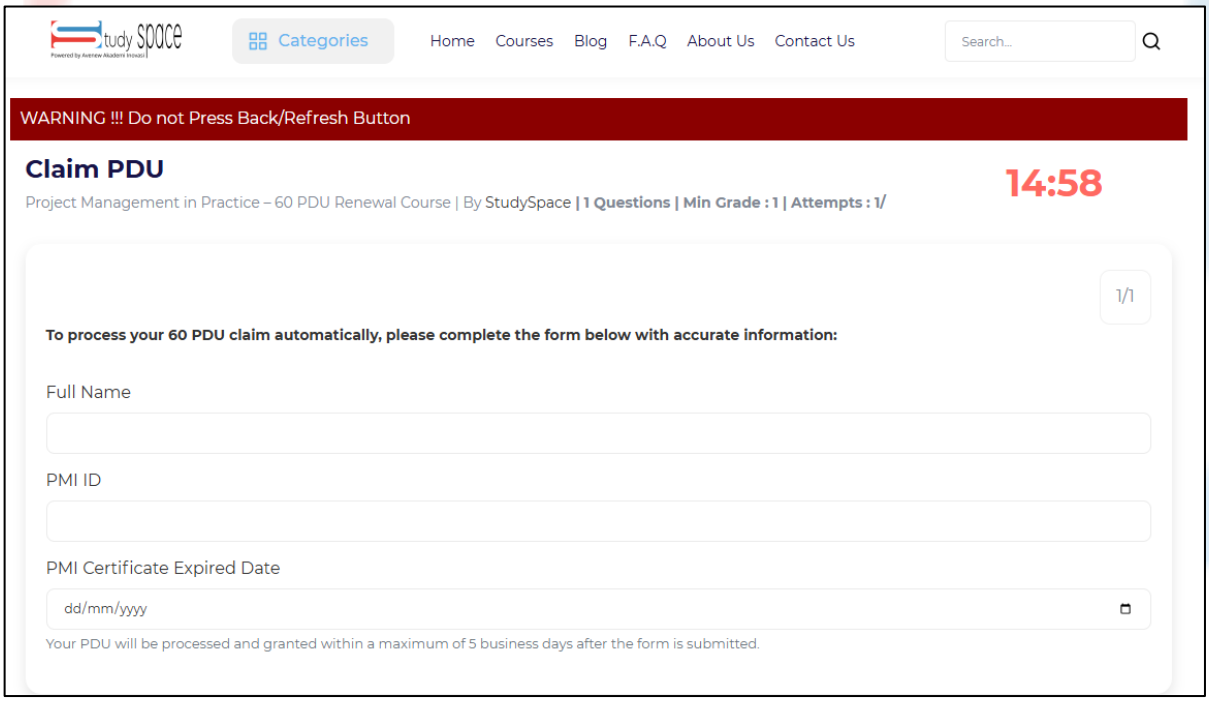

You may watch the videos, read the content, and ensure you click "**I passed this lesson**" so your progress is properly recorded.

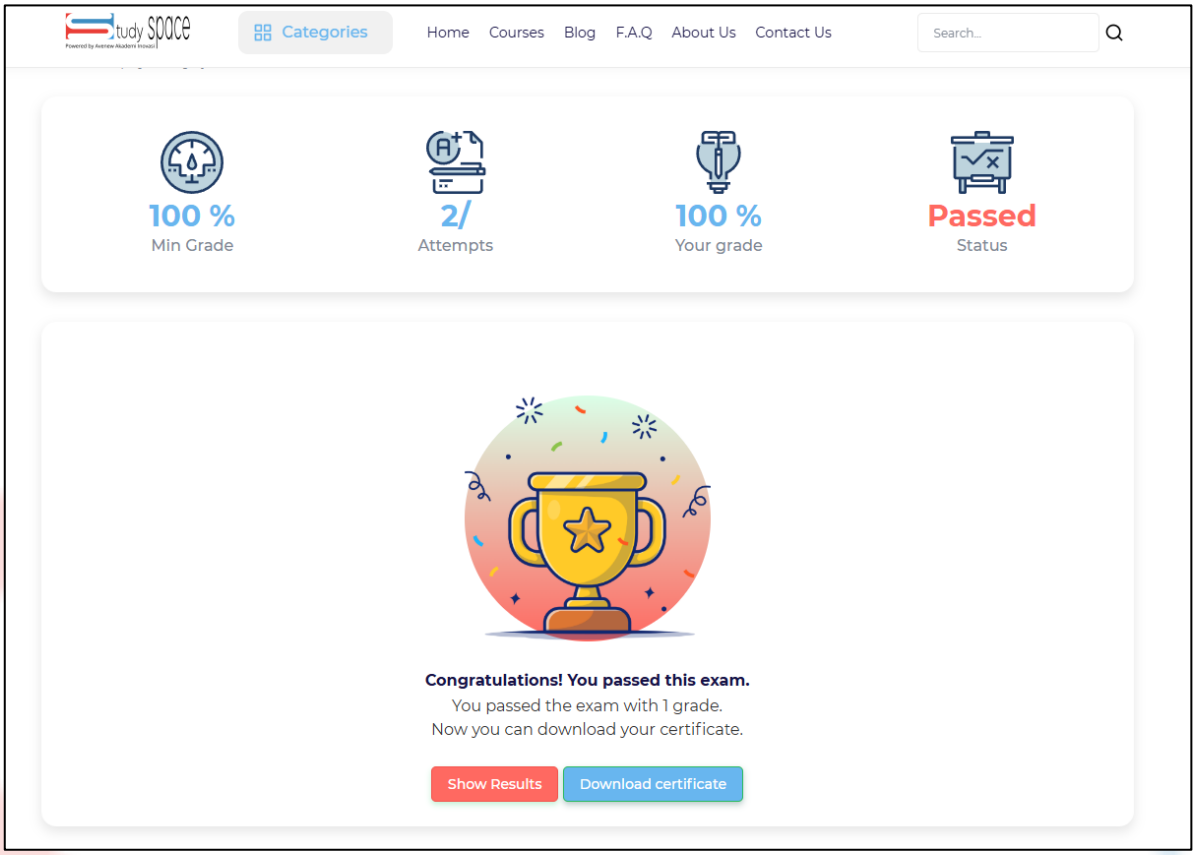

At the end of the course, a final quiz titled “Claim PDU” will appear.

You will be asked to submit your **Full Name, PMI ID, and Certificate Expiry Date** for certificate processing.

After completing the quiz, you may **download your certificate**. Then proceed to submit your PDU claim through your PMI Account.

Thank you and happy learning! 😊
